merSETA levy-paying and non-levy paying employer company	NPO/NGO/NPC	Co-operative	Public Entity	Labour Organization	Public TVET College
Public University/University of Technology	Research Institution	International Partner	Employer Organization	Community Education and Training College	

SECTION B: Project description
NB: A detailed project document should accompany this application form.
NB: If you are applying for more than one intervention, consider submitting separate application forms and separate detailed project documents

Select the strategic imperative area by making an “X” next to the applicable imperative

1. The Strategic transformation in the mer-sector	
2. Quality improvement of teaching and learning of post-school education training institutions	
3. Research and/ or innovation solutions	

Name of intervention/s selected under the chosen strategic imperative/s above:
For example, if you selected Research and/or Innovation Solutions, in this section you could then select gender-based violence programmes for mer-sector stakeholders.

1. Brief project description

2. Purpose and rationale (What do you want to do and why?)

3. Outcomes (What do you want to achieve with this project?)

4. Geographical location of the project (province, district). If learners in different provinces will be targeted, the geographic location will be national. For research intervention the geographic intervention will be national

5. How will the project be implemented? (Brief description).

6. Benefits (What will be the benefits of this project and who would benefit?)
7. Interventions (How will the project be implemented?)
8. Potential risks (What are the potential risks, project risks and mitigation actions?)
9. Estimated overall project cost (Rand value). (A detailed budget should be included in the attached detailed project document requested at the beginning of this SECTION)

SECTION C: Application Details (This section is to be completed for those intervention which have learners) Add more lines if applying for more interventions in the same project

Learning Interventions	Number of learners	For example: Apprenticeships/Learnerships/Skills Programmes – indicate the intervention type

SECTION D: Signatures

I, the undersigned, confirm that I have been authorised by this organisation to submit their discretionary-funded project application information.

I declare that to the best of my knowledge, the information contained herein, is accurate and up to date.

I recognise that inaccurate information constitutes fraud and that it will be subject to the full penalty of the law.

	Title	Name	Position within the Organisation (CEO/ SDF, etc.)	Signature	Date
